

Ollie the Octopus mask

What you need...

- Card to print craft onto (2 pages) - could print onto paper then stick onto card (e.g. cereal box) to stiffen
- Arms (on page 2)
- Colouring materials
- Glue
- Scissors
- Elastic or string

Make hole over circle for the string or elastic

How to make...

- Cut out mask & eye holes.
- Cut out arms on page 2.
- Glue the arms to back of mask.
- Colour in and decorate.
- Make two holes where the two small circles are on the mask.
- Tie string or elastic to the holes.

Make hole over circle for the string or elastic

Octopuses have a skeleton made from water - a hydrostatic skeleton!

Octopuses have 3 hearts

An octopus can change colour to blend in with its surroundings. What colour will your octopus be?
